

MEDVENTURES 2010

Presented by NTEC

Frisco, TX
July 21, 2010
7am – 4pm

Presenting Company Application Guidelines

Application Deadline
extended through
June 6th 2010

Event Overview

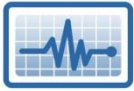

Hosted by the North Texas Enterprise Center (NTEC) and our sponsors, MedVentures 2010 is an annual, regional, early stage investment and education conference focusing on the rapidly growing medical technology sector. The program includes **angel investor/venture capital** panel discussions, **healthcare policy update** and presentations by some of the top **emerging medical technology companies** in the region. Our 2009 conference drew over 300 attendees and with an expanded program, additional networking opportunities and separate “**trade**” **exhibit hall**, we expect to exceed last years attendance.

Benefits to Presenting Companies

- The opportunity to present to a large investment audience.
- Two tickets to the VIP reception and the conference.
- Your executive summary will be shared with all attending investors.
- MedVentures 2010 “Presenting Company” badge for your website.
- Discounted rate for investor discussion “break-out” room (through Embassy Suites).

Qualities of the Applicant Company

- Early stage medical device and healthcare technology companies in the product and service sectors. This includes medical instrument and devices, diagnostic equipment, medical therapeutic devices, medical monitoring equipment, software and information technology for the healthcare field.
- The company should possess either protectable or protected intellectual property.
- The company should be one year +/- to market with a product or service.
- Projected revenues should be at least \$50 million by the fifth year in the market, and supported by reasonable market share projections in a market segment of at least \$500 million.
- The company should have received seed cash investment of at least \$200,000.
